

WE WELCOME ALL PATIENTS

Our goal is to help you take care of your teeth, smile and mouth at a level that is right for you. In our practice, we believe that the level of care that you want is your choice. Please choose from the following choices below for care so that we can best meet your goals:

LEVEL 1: URGENT CARE

Patients at this level choose treatment only when they experience a crisis such as pain, swelling or bleeding that requires immediate treatment.

LEVEL 2: REMEDIAL CARE

Patients at this level choose treatment for obvious problems such as broken or cracked teeth, cavities, sensitivity, discomfort or concerns that are creating issues in the mouth right now. They only want to deal with concerns that have already developed into conditions that require treatment to remove existing disease, or repair the teeth back to the most basic level of health.

LEVEL 3: PROACTIVE CARE

Patients at this level seek treatment for existing concerns just like remedial care patients, but they are also concerned about conditions that may create problems in the near future. These patients generally want to maintain the health of each tooth at a basic level, so they also do what they can to prevent new concerns from developing.

LEVEL 4: COMPLETE DENTISTRY

Complete dentistry patients are concerned about the current conditions in their mouth, the causes of dental disease and their long-term health. They want to know their full treatment options so they can become and remain as healthy as they can be.

LEVEL 5: OPTIMAL DENTISTRY

Just like complete dentistry patients, patients at this level are focused on long-term dental health and disease prevention, but they also want their teeth and smile to look great. For some of these patients, enhancing their appearance with a beautiful new smile is very important.

It is not uncommon for people to begin at one level and progress to higher levels when they are ready. We're here to help you discover what is right for you so your teeth, smile and mouth remain as healthy as they can be for life based on your goals.
